JUST TAKE IT WITH YOU

At only 500g (1200g respectively) the Three Sixty chairs are the ultimate solution for your hiking, cycling, kayaking and outdoor adventures.

And thanks to their shock corded poles, the assemblage is quick and easy.

ONE STEP AHEAD

Only top notch materials are used in the construction of the Three Sixty lightweight chairs.

The frame, made of advanced aluminium aircraft alloy (Duralumin 7001), provides comfort and flexibility, while maintaining their superior durability, strength, and stability. Rugged 600D polyester and reinforced pole pockets provide extra support and allow the chairs to hold up to 100kg (Three Sixty Mini) and 150kg (Three Sixty) respectively.

NO COMPROMISES

This is not the time for compromises – go Three Sixty!
